

The NHS Wales course is called

[000 NHS Wales Improving Quality Together \(IQT\) Certification](#)

To locate the course from the learning homepage change the dropdown to Learning Certification, then search by name:

The screenshot shows the NHS Wales Learning Management System (LMS) interface. The 'Learning' dropdown menu is highlighted in red, showing options: All, Learning Certification, Learning Path, Course, Class, Category Forum, and Category Chat. The 'Course' option is selected. The main content area displays a table of 'E-Learning Enrolments' with columns for Course Name, Status, Item in, Enrolment Status, Completion Date, Score, Move to History, Unenrol, Evaluate, and Play. The table lists various courses, including '000 NHS Wales Child Measurement Programme' and '000 NHS Wales - Mental Capacity Act - Level 2'. The system clock at the bottom right shows 15:23 on 20/05/2018.

Course Name	Status	Item in	Enrolment Status	Completion Date	Score	Move to History	Unenrol	Evaluate	Play
